

Important Information

To get started....

Please take the time to fully read the Syllabus right away. It provides the information you need to get you started on the course. If you have any question please email us at: support@wayoflife.org.

May we ask....

Would you please take a moment to let us know of your interest in this course. Simply send an email to the address shown below and just provide a short note letting us know that you have downloaded the course and are looking it over.

And finally....

As we state in the Syllabus - please make this Bible Study work for you. If you complete this course (or your own variation of it) we'd like to know.

It would be a blessing to hear from you!

A simple 2-3 sentence email would be of great benefit to us.

Thank You!
