<u>Quiz #</u>	<u>Grade</u>																																																													
#1 1 Timothy 3:1	_____																																																													
#2 1 Timothy 3:2	_____																																																													
#3 1 Timothy 3:3	_____																																																													
#4 1 Timothy 3:4	_____																																																													
#5 1 Timothy 3:5	_____																																																													
#6 1 Timothy 3:6	_____																																																													
#7 1 Timothy 3:7	_____																																																													
#8 Titus 1:6	_____																																																													
#9 Titus 1:7	_____																																																													
#10 Titus 1:8	_____																																																													
#11 Titus 1:9	_____																																																													
Average Grade: <i>Add up all quizzes, divide by 11</i>	_____																																																													
_____ <i>Signature of Student</i>																																																														
_____ <i>Signature of Teacher</i>																																																														
<u>Test</u>	<u>Grade</u>																																																													
Test 1	_____																																																													
Test 2	_____																																																													
Test 3 (Mid-term)	_____																																																													
Test 4	_____																																																													
Test 5	_____																																																													
Test 6 (Final)	_____																																																													
Average Grade: <i>Add up all tests, divide by 6</i>	_____																																																													
PROJECTS																																																														
<u>Projects</u>	<u>Grade</u>																																																													
Study Project for 1 Timothy	_____																																																													
Study Project for 2 Timothy	_____																																																													
Study Project for Titus	_____																																																													
Prophecies Project	_____																																																													
Average Grade: <i>Add up all projects, divide by 4</i>	_____																																																													

To calculate the final grade for the class, follow these two steps:

STEP 1:

Plug in the average grades into this formula:

_____ x .15 = _____ (#1)

(Avg. grade for all **quizzes**)

_____ x .6 = _____ (#2)

(Avg. grade for all **tests**)

_____ x .25 = _____ (#3)

(Avg. grade for all **projects**)

STEP 2:

Add 3 products together for the final grade:

(#1) _____

(#2) _____

+ (#3) _____

(Final Grade)
